

14 Things I Hate About You

I hate the way you treat me
and the way you fake laugh at my jokes.
I hate the way that you're always too busy.
I hate the way that you brush off my texts.
I hate it when you know exactly how I'm feeling even when I don't say a word.

I hate the way you drive your car.
I hate the way you smile at me right before you kiss me.
I hate the way you make me feel.
I hate that you make me lay in bed with tears **streaming** down my face.
i hate that you don't make me feel good enough.

I hate when you **pop** up at my house unannounced.
I hate when you stop to make sure I'm okay when you know I'm not.
I hate when you put your friends before me.
I hate when you don't answer my calls when I know you're home.

But *sadly*, I hate the way that I don't hate you at all
No matter how much I try- no matter how much I tell myself I have to distance myself
I can't
Every part of me is majorly, madly and miserably *in love with you*.

I Love You
